Nordic Spirits Lab Gin

ABV:41%

HH\$128

NH\$158

B\$1,488

Akvavit has made a comeback among mixologists. Akvavit shares a lot of ingredients with gin, like coriander, angelica and lemon peel. It's only the key botanical - caraway or dill - that makes its taste profile fundamentally different. Because of their similarities, akvavit is actually the perfect companion to gin. That's why they've developed Nordic × Gin, a distilled hybrid gin with akvavit botanicals. Quirky and fresh, it's a gin with a Nordic twist.

Saigon Baigur Premium Dry Gin

ABV:43%

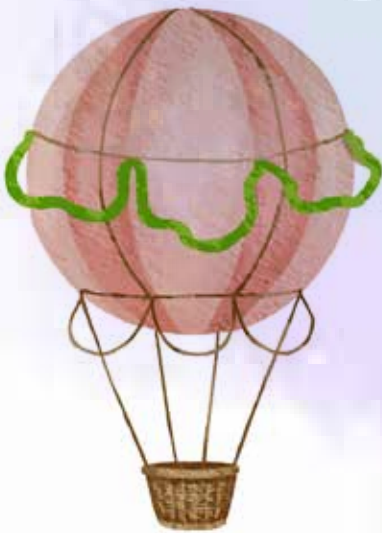

HH\$148

NH\$178

B\$1,688

The name Baigur was derived from the name of the first known settlement in this area, a small fish and spice trading outpost. The name Saigon Baigur pays homage to the more than 1000-year-old tradition of spice & botanical trading in the area. Saigon Baigur takes its symbol from the dragon. Not only does this local mythological creature represent power and prosperity, it also brings rain and therefore the dragon is essential to agriculture and the botanicals used in our gin. In turn, the bottle has been inspired by the scales of this legendary creature.
